

Lens Screen Protector

00219927 Camera Protective Glass for Apple iPhone 15/15 Plus, Tempered, transparent

Highlightstext:

- Protecting the mobile phone camera made easy: optimal protection of the sensitive smartphone camera lenses against scratches and knocks – absorbs external impacts and reliably protects the camera of the Apple iPhone 15 / 15 Plus
- Especially durable and robust camera protection made from tempered glass: perfect-fit and strong protection for the camera lenses of the Apple iPhone 15 and iPhone 15 Plus – prevents shattering, breakage and scratching of the camera lenses
- No photo impairment: the mobile phone camera glass offers protection for the projecting camera lenses without impairing the quality of the photographs – for a carefree way to take pictures and videos
- Case-friendly: the special design means it fits all bags, covers and sleeves – the iPhone camera protection for the smartphone camera complements the all-round protection for the Apple iPhone
- Everything included: a microfibre cloth for cleaning the sensitive camera lenses as well as assembly instructions are supplied – perfectly polish the lenses and apply the protective glass correctly and securely
- Fast and straightforward attachment: use the enclosed microfibre cloth to clean the camera lenses of the Apple iPhone 15 or iPhone 15 Plus, peel the camera protection glass off the backing material, stick it in place, done!
- Can be removed again when required without leaving any residue: if you do happen to drop your phone, the iPhone camera protection can be easily removed again if, for example, the protective glass is scratched
- Strong protection for the rear: the sturdy camera protection made from tempered glass protects better than classic protection foils for the iPhone camera
- Inconspicuous: the transparent camera protection fits all mobile phone sleeves and pockets, whether sturdy, non-slip or business style
- Cost-efficient; increases the life of the iPhone camera and avoids high costs for repairing and replacing the mobile phone camera lenses
- Easy to attach by following the installation instructions
- Designed in Germany
